**Newly Released, EXCLUSIVE Audio featuring Ben Glass, the founder of Great Legal Marketing and America's top expert on small firm marketing...**

**One System Worth Millions: How a Small Firm Attorney in a Bustling Metro Region Bests His Competition with Ease**

Ben Glass started 2016 with a BANG! Specifically, he started this year with a \$1.8 million medical malpractice verdict for his law firm (BenGlassLaw) in Virginia – a notoriously tough state with a rather low cap on such verdicts.

The funny part is that Ben didn't have to "hustle" or do a "hard sell" to get the client to sign with him. As a matter of fact, most of the marketing was taken care of by a simple system he has used for years to generate clients for his seven-figure practice in the heart of Northern Virginia.

Would you like to start stealing this system from Ben (entirely with his permission) to use in your own practice? It doesn't matter if you're dealing in smaller transactions such as traffic tickets or are landing multi-million dollar personal injury cases. Everything Ben did can make you money and get you more of the best clients for your practice.

If you're interested in doubling your income or just being able to afford an extra paralegal so you can go on more vacations, this bonus will show you the path you need to follow. Don't miss out and wish you were in on the secrets Ben has to share!

**Everyone who is registered for the Summit BEFORE July 8<sup>th</sup> at 11:59 PM Eastern will receive this *exclusive bonus audio* and all bonuses going forward.** Don't miss out on your chance to enjoy all the marketing and practice-building information that will be released as part of the lead-up to this special two-day event in October!
