“Here’s a simple idea any lawyer can use to double your practice in the next 12 months. I call it my ‘secret sauce,’ and I’ll send it to you FREE— if you meet the 2 qualifications below.”

By Ben Glass

Using just one surprisingly simple client-attraction strategy, I was able to double my personal injury practice in 12 months—and then double it AGAIN the next year.

As a result I’ve become reluctantly famous in certain legal circles (go ahead and Google me or BenGlassLaw.com). Over the last few years I’ve taught this straightforward concept to 627 other attorneys, many of whom paid me thousands of dollars to learn it – and are happy they did because it changed their lives (see box).

But you don’t have to pay one cent. Because I will send you a “Sneak Peek” FREE if you meet the qualifications below.

Why Am I Doing This?

Everywhere I look I see doom and gloom. Layoffs. Salary cuts. Entire practices closing their doors.

The law has been very good to me, and I can’t stand to see more suffering.

So I’ve decided to institute my own “Stimulus Plan.”

If you will let me, I will show you a proven way to attract more clients, more cases. At will. On demand. In ANY economy. Guaranteed.

Extra Free Bonus!

And I’m not stopping there. I’ll also include a 15 minute one-on-one phone consultation to help fast-start YOUR economic recovery. I call it the “**Recession Rescue Strategy Call**,” and it’s also free.

Here Are the Rules

1. You must be a solo or small law firm (5 lawyers or less) to qualify. I’m not interested in trying to teach a big, dumb law firm how to *not* be big and dumb. They don’t get it. Never will.

2. You must respond within the next 21 days because we need to know how much time to budget for the “Recession-Buster Strategy Calls.”
